

# Bachelor of Science in Liberal Arts

---

The Liberal Arts program provides a unique, rigorous, and flexible learning pathway for that segment of the student population with specific educational and career interests. The Bachelor of Arts in Liberal Arts degree program allows students to complete a curriculum which equips them to be successful in an array of professional settings and provides an essential academic undergraduate foundation for those seeking to pursue a graduate-level degree for career advancement. The Bachelor of Science in Liberal Arts has a narrower focus on mathematics and science. Upon completion of this degree,

- Students will be able to communicate effectively across the curriculum.
- Students will be able to apply critical thinking skills, as well as problem solving, evidence-based reasoning.
- Students will be competent in at least one particular body of knowledge.

---

## General Education Requirements (44 hrs.)

---
